

PRODUCT CATALOG

Go Bag kits, modules and individual tools

GOT WHAT YOU NEED WHEN YOU NEED IT

Every WAC Supply Go Bag is built from vertical modules - each pocket and rack holds a complete set of tools, lifts out whole, and goes back in one place. Nothing loose, nothing missing, nothing to hunt for.

WITH PURCHASE OF A GO BAG

GO BAG À LA CARTE OPTIONS

Anything below can be added to a Go Bag order, from any of the three bags, and ships with the kit. These are add-ons to a kit rather than products sold on their own. This is also where every module is broken out into the tools inside it - the pliers and the screwdriver set ship as their complete module, and are marked as such.

COMPLETE MODULES

**Screwdriver Module (D-6WA)**

6 PCS Screwdriver (S2) · With 8" Adjustable Wrench · ALL IN ONE COOL SCREWDRIVER RACK

\$30.17 – Value
